### Fraser Burns

My name is Fraser Burns and I am the founder of Apartment Managers - established in 2003. Long before Apartment Managers I worked as a professional ski instructor travelling the world teaching two Winter seasons per year – for many years. I have taught skiing in Australia, Japan, Canada and Austria. Having skied in some of the best resorts in the world it was Kitzbühel that really had a huge impact on me. Resulting in me immigrating from Sydney (my home) to Kitzbühel/Austria in 2002.
