Bellaire Tirol

Ferienhaus in Westendorf

Welcome to the BELLAIRE - your newly built holiday home with 3 luxurious and spacious apartments.

The three holiday apartments of the Bellaire Tirol, which opened in the summer of 2017, make travelers feel at home in the midst of the Kitzbühel Alps.

The modern house with a breathtaking view of the mountains is surrounded by empty fields, giving an impression of space and freedom. This gives the guest the feeling of being alone in the house and having the mountains and the tranquility exclusively for themselves.

The apartments have been luxuriously furnished with large, modern kitchens that leave nothing to be desired. In every kitchen there is a dishwasher, oven, induction hob, large fridge-freezer, microwave, toaster, kettle, hand blender and a Nespresso coffee machine. Different types of Nespresso capsules can be purchased on site for a small price.
