Bergbauernhof Obergaisberg

farm, farmhouse in Kirchberg in Tirol

Our mountain farm is located in the middle of the Kitzbühel Alps at 1000m above sea level on the Gaisberg in Kirchberg in Tirol. Surrounded by numerous hiking trails in summer and direct connection to the toboggan run in winter. We are a dairy farm with about 30 head of cattle and other smaller animals. In the warm season, our cows enjoy the summer freshness on the Harlassanger Alm in Kirchberg. The idyllic Obergaisbergsee is close to our farm, where you can enjoy beautiful hours. The "Goasberg Puzzle Tour" is located on the hiking trail to our farm and offers a lot of fun especially for children. In winter, young and old can use the toboggan run right outside the front door. Our family-run inn is right next to the farm, where you are always welcome. More information at www.obergaisberg.at
