Chalet Kitzbüheler Alpen

mountain hut in Brixen im Thale

The Chalet Kitzbüheler Alpen is in a fantastic and quiet location directly on the slopes. It was rebuilt and furnished with great attention to detail using modern and old natural materials in 2020. The chalet is located at 950 meters above sea level directly in the Wilder Kaiser Brixental ski and hiking area. In winter you can access the slopes directly from the chalet and in summer you are directly in the wonderful hiking area of the Brixental. The chalet has 2 double bedrooms, 1 bathroom, 1 toilet and a cozy kitchen-living room with wonderful views of the surrounding mountains. The absolute highlight is probably the wood-heated hotpot in the garden of the chalet, which ensures relaxation and recreation in both summer and winter. The chalet also has its own garage for your car as well as a storage room for skis, ski boots and toboggans with a ski boot dryer. A bread roll service is available daily.
