Haus Pfistererbauer

farm, farmhouse in Brixen im Thale

Our family-friendly farm is situated in the heart of Brixen im Thale, just approx. 10 km away from the world-famous town of Kitzbühel. Within a few minutes' walk you can enjoy Brixen's infrastructural facilities such as the bathing lake, recreational facilities, gondola station and many bars and shops. The ski bus stops beside our neighbouring house which takes you directly to Brixen's gondola stations transporting you into the SkiWelt Wilder Kaiser - Brixental. Store your ski equipment in our storage room in the house. The well-developed cross-country ski trail network is only a few metres away. Relax in the garden for a few hours, after unforgettable days of hiking or perhaps mountain-biking in the Kitzbühel Alps, or enjoy a few games of table tennis or table football. Cows and calves are also to be seen on our farm and of course a welcoming schnapps can by no means be forgotten.
