Strobl

Our guests appreciate four special things: Our tasteful hotel, the excellent location, the exclusive size and the kind of personal service that exemplifies the best our region has to offer. In short: This is just perfect! A holiday just like the one we ourselves would wish to enjoy with the emphasis on the authentic, on regional quality with depth, and on hosts who know how to make a holiday truly special. Perhaps you, too, will belong to this special kind of guest, then ... WELCOME TO HOTEL HUBERTUS!

Hosts with passion, that's what we are, this motivates us and that's what we love to do! Our concern is to fulfill your wishes - no matter if you spend your entire holidays, a weekend or only one day with us. The real diversity of the Brixental makes it easy for us to be proud of everything you can experience here. And especially, we are proud of our family-run house with its special charm! We are happy to welcoming you - Angelika Strobl & the Hubertus Team
