Sylvia Mingler ... and still live. Personality. Charm. Family atmosphere. We live where you go on holiday and therefore want to convey exactly the feeling of "coming home". We are convinced that you should be conscious of everything you do. That you give a little smile, have an open ear, dare to try new things and enrich each other. Julia Mingler-Haueis Humans must understand the past in order to shape the future That's what my wife Julia thought too when she took over the hotel from her mom. They pursued their ideas with a lot of commitment, desire for development and wealth of ideas. Philipp Haueis The summiteer in many respects Skiing, biking, wine. These three passions particularly shape our Philipp and my son-in-law and he also expresses this in the hotel.
