## holiday apartment in Itter

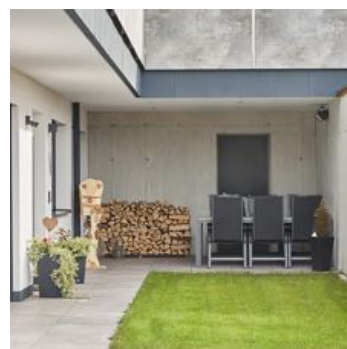

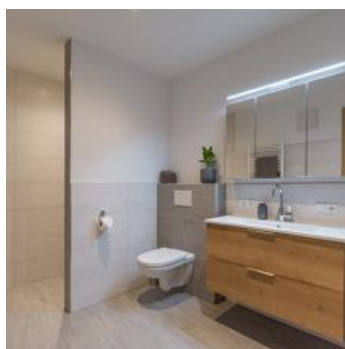

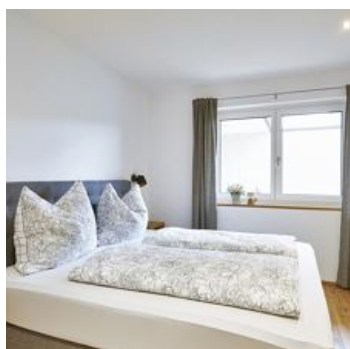

Welcome - to the apartment ZUM Fuchs!

Our house was built in 2021 is located in the district of Kitzbühel, directly on the Hohe Salve in the village called ITTER and has an approx. 70m<sup>2</sup> apartment designed for max. 6 people.

Whether summer or winter, our apartment is the perfect starting point to enjoy nature. Due to the particularly favorable location next to the gondola station Salvistabahn in Itter, you have direct access to the SkiWelt Wilder Kaiser Brixental in winter (driving time by car: 2 min or walking time: approx. 10 min). In good snow conditions it is possible to ski directly to the front door of the apartment.

Also in summer you have enough sportive activities to choose from among others dreamlike hikes at the Wilder Kaiser, which is only a few minutes by car away from us or bike tours at the bike path directly in front of the front door.

Looking forward to your visit - Melanie & Fabian
