Apartments Spitzenblick

holiday apartment in Angerberg

Who doesn't know the feeling "I need a break"?

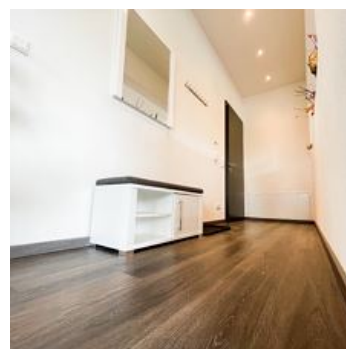

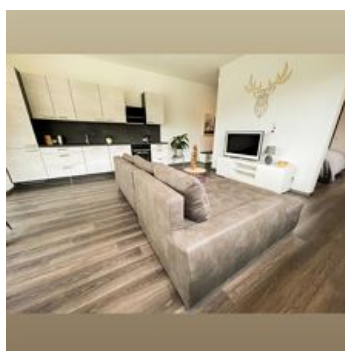

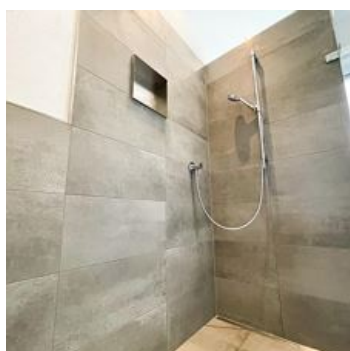

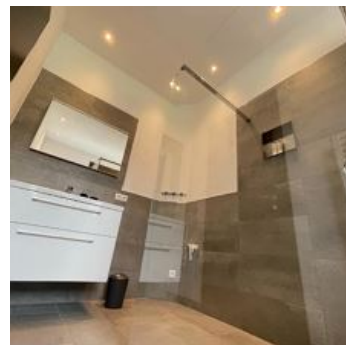

If you would like to start your holiday with birdsong and the morning sun on the terrace or end your day with a glass of wine at sunset then you should come and stay at "Apartments Spitzenblick".

With a panoramic view of the forest and the mountains, the newly built apartments - located in the last house of the road - offer private flair.

High, light-flooded rooms. Deer and hare as neighbours.

Cooking is fun in the modern kitchen. If you still feel like going out for a delicious meal then you can reach various inns after a short walk.

No matter, whether you are a summer or winter enthusiast, whether you like it quiet or action-packed (direct access to the cross-country ski trail behind the house, the next ski and hiking area within a few minutes's drive, set off on a bike tour right from the doorstep,...) - you will get your money's worth.
