## farm, farmhouse in Hopfgarten im Brixental

A warm welcome to Hacklhof!

The mountain farm is situated at about 1000m above sea level on the wonderful Penningberg in Hopfgarten im Brixental. Enjoy the day's first rays of sunshine with a fantastic view into the far distance. The family-friendly farm is home to milk cows, calves and cats. From October till May you can get fresh milk - in the summer months, however, the cows enjoy their "summer retreat" on the alpine pasture and the young cows on the farm's own high pasture.

In summer, you can set off on hikes and mountain bike tours right from the farm and in winter on easy ski tours. The ski area SkiWelt Wilder Kaiser Brixental can be reached within 10 minutes by car and the natural toboggan run in 5 minutes.

For the little ones there is a lot of space to run riot and a trampoline
