Bauernhof Litzlhof

farm, farmhouse in Itter

In the rustic and cosy ambience of our family-friendly farm you can find relaxation and take a break from everyday life. In summer the farm is the ideal starting point for many hiking and cycling tours in the Kitzbühel Alps. Besides, there is a lot to discover on the farm too. No matter whether trampolining, building a sand castle in the sandbox, swinging, sliding or feeding the animals in the stable – it never gets boring. In the evening you can sit with your family in the garden and enjoy the sunset. In winter, the ski slope (your direct access to the ski area SkiWelt Wilder Kaiser Brixental) and the cross-country ski track run directly past the house. We also offer a heated storage room for all your ski gear. Successful, stress-free holidays – they are all yours!

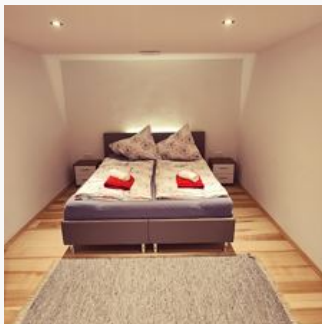

right on the bike path · quiet location · outskirts of town · private setting · near the forest · right at the cross-country ski trail · right on the slope · meadowlands
