Chalet Unterleming

Ferienhaus in Angerberg

The "Unterleming-Hütte" is a stand-alone cottage and part of the traditional Unterleming farm. The little house is situated right next to the farm premises in a quiet area and is surrounded by the fields and hills of Angerberg. The unique charm of the cabin is its originality - built in 1890 it was occupied by relatives of the farmer family until the 1960's. Having been renovated with care and true to the original it still reveals the ancient rustic beams and walls. It has been lovingly furnished in the regional Tyrolean country-house style. The cabin sleeps 4 persons. The guests may use the parking area, the deck and the garden. The Unterleming cabin is the best choice for friends of nature and those looking for recreation as well as families with children who want to spend amazing days in the mountains of Tyrol.
