Welcome to Drittlhof!

Holidays at an organic mountain farm – relaxation, nature experience and familiar hospitality

Our mountain farm lies on the sunny side nestled in the Kitzbühel Alps. Surrounded by lush meadows and woods there is our almost 300-year-old wooden farmhouse, built in classic Tyrolean style. The farm has been in our family for five generations and is now run jointly by Gertraud and Michael. On our farm we keep approx. 20 dairy cows, 20 young cows, 10 chickens, rabbits, quails and, in summer, goats as well as sheep.

From September to May you can get fresh organic hay milk from us every day. In the summer months our cows enjoy their summer holidays at the Niederkaseralm alpine pasture. By the way – the Niederkaseralm is a lovely destination for an excursion! You are welcome to visit our cows there and taste the delicious mountain cheese made from the milk of our cows. Our beautiful orchard in front of the house is really a rarity. More than 30 young and old fruit trees...
