Ferienwohnung Oberlehen

holiday apartment in Hopfgarten im Brixental

Our former farmhouse, which is over 300 years old, is traditionally built of wood and natural stone and is situated on a hill above the centre of Hopfgarten. Directly in front of our house you can enjoy nature, forest animals, the mountain panorama and the cosiness of Hopfgarten.

In summer you can start your hikes directly from the house. Explore the adventure worlds of the Kitzbühel Alps or the untouched nature in Kelchsau. Rent an e-bike or mountain bike and discover the numerous cycling possibilities in the Hohe Salve region and the surrounding areas.

The entrance to the SkiWelt Wilder Kaiser-Brixental is only a few minutes away from our farm. Go on a snowshoe hike with an experienced hiking guide or take part in a horse-drawn sleigh ride as part of the weekly programme. In winter, when there is a lot of snow, winter chains for the car are recommended!

We warmly welcome you!
