Fuchswirt Kelchsau

inn in Kelchsau

FUCHSWIRT The renovation in 2022 makes the Fuchswirt shine in new splendor.

The 11 rooms are clean and cozy, reflecting the charm of the place and its traditions. Located in a side valley of the Brixental, nestled in the Kitzbühel Alps, is the picturesque town of Kelchsau. The beautiful old inn from the 14th century is surrounded by lovingly maintained (farm) houses. The village is very authentic, with everything you need.

The new management of the inn in November 2024 brings back old glory with a mix of modern and traditional dishes that unite culinary specialties, regionality, and - not least because of this - sustainability.

"oafoch, onnascht, guat & extrig" - simple, different, good & special, is the creed of our offering. This applies to both our gastronomy and our accommodation at the Fuchswirt.

The rooms at Fuchswirt are simple and a combination of past and present. Therefore, it is unique to spend your vacation here and enjoy the time - without the current sensory overload.
