Samerbauer | Misslinger Johann und Kathi

farm, farmhouse in Hopfgarten im Brixental

On our farm we offer a wide range of products grown and made on site. Our house is situated in a quiet and sunny area at 1000m above sea level. The centre of Hopfgarten, the lake and the gondola valley station, the entrance to the ski and hiking area SkiWelt Wilder Kaiser, can be reached within 10 minutes by car. There's a long natural toboggan run and a cross-country ski trail in close vicinity to the farm. You can set off to some great hiking destinations right from the doorstep. We offer a children's playground with playhouse, swing, trampoline, table tennis, and football goal. On the lawn (with barbecue facilities) it is easy to escape daily routines and find rest and relaxation.

The apartment sleeps 2 to 5 persons and provides a bedroom, combined kitchen/living area and a balcony. On demand there are 2 extra rooms available accommodating additional 5 persons.

In addition, we rent in the house next door a new apartment, the "Apartment Samerbauer" - take a look there.
