Stegerbauer

farm, farmhouse in Kirchbichl

Our family-friendly farm is picturesquely situated in a calm area and is the ideal point of departure for various leisure time activities, be it summer or winter. From your apartment you enjoy an amazing view of Itter castle and the Hohe Salve. Set off on adventurous cycling tours right from the house (cycle path directly behind the farm building) or discover the manifold hiking possibilities in the Kitzbühel Alps. We recommend: a journey to the most beautiful panoramic mountain in Tyrol, the Hohe Salve (comfortably to reach with the cable car from Hopfgarten)

In the winter the entrance of the SkiWelt Wilder Kaiser Brixental, Austria's largest connected ski area, is almost around the corner and can be reached within a few minutes (approx. 1,5km from the farm)

Animals on the farm: cows, calves, goats, chicken, cats, rabbits, bees - if you are interested you are welcome to help us out in the stable.

Fresh products from the farm such as hay milk, eggs or honey - of course you are welcome...
