Appartementhaus Anna Katharina

holiday apartment in Fieberbrunn

Hello and welcome to the apartment house Anna Katharina, in the immediate vicinity of the mountain railway. We would like to invite you to enjoy our unique and in the region grown house. The building was built with our own wood by the family, this gives you the unique security and warmth, which only a wooden house can convey. Spacious, cozy, great - our apartments are all this and much more. Not only in front of our spacious panoramic windows you can find pure nature, we also brought it into the house. Located directly at the mountain railway, our house is the ideal starting point for skiing in winter and hiking in summer. Your car can be left safely in our underground garage.
