### Regina Leidgschwendner

Your hosts – With heart, history, and passion Our former bed and breakfast has been transformed into two lovingly designed NaturNah apartments – a new chapter in the history of our family business, now in its second generation. The foundation was laid by Elisabeth and her husband, who built the house together and ran it with incredible passion for 58 years. Even today, Elisabeth is delighted with the further development of the house and supports us with her experience and warmth. Pit, who cares for and maintains the property, can usually be found in his workshop – always with an open ear and a trained eye for detail. Regina, who grew up here and has deep ties to the place, continues to run the family business with a genuine passion for hospitality. For her, it is more than just a job—it is a labor of love to offer guests a piece of home in nature. Welcome to NaturNah Apartments—where tradition meets modernity and hospitality is lived.
