Ferienwohnungen Hausbacher-Bichlhof

holiday apartment in Fieberbrunn

History of the Bichlhof

The Bichlhof was first mentioned in a document in the year 1464. In 1954, a new stable and barn building was constructed, which, however, was destroyed by a fire in 1965, along with part of the residential building. Thanks to the energetic support of many helpers, everything could be rebuilt.

As early as 1958, the residential building had been newly constructed. After the fire, Christian's grandparents began renting rooms, which were later successfully continued by his parents. Since 2016, we have been managing the farm, now in the third generation, taken over from Christian's parents Sebastian and Marianne, and we continue the tradition with great passion.

The Bichlhof is located on the sunny side of Fieberbrunn, just 1 km from the main road.

The quiet location guarantees pure relaxation while you simultaneously enjoy a dreamlike view of the surrounding mountains. Both the cycling path and the Camino de Santiago pass directly by the accommodation – ideal for ...
