Our farm is about 5 km outside of St. Johann in Tirol. Quiet and sunny, surrounded by meadows and forests. The ski lift "Eichenhof" is approx. 2 km away. The cross-country ski run can be reached on foot from the apartment in winter. A ski room with a heated shoe dryer is of course also available in our facility. The Blattlhof is also the ideal starting point for various hikes, walks and bike rides in summer. There is also a children's playground with a swing system and play house.
