Ferienwohnung Bergliebe

holiday apartment in St. Johann in Tirol

The new Apartment Bergliebe is located in the middle of the most beautiful forests and meadows, far away from any hustle and bustle. It offers a panoramic view of the Kitzbüheler Horn and the beautiful Niederkaiser is right behind it, followed by the imposing Wilde Kaiser. The apartment belongs to the organic farm "Ressl", a dairy farm. Here you can relax and just enjoy the mountains!

In summer, the chalet-like apartment is the perfect starting point for walks in the beautiful district of "Hinterkaiser" or other hikes and climbing in all levels of difficulty on the Wilder Kaiser. There is also a lot for children to discover. Be it the beautiful "Moor and more" round with playground elements in the forest or the large playground at the "Römerhof", which is about 30 minutes' walk away and can be easily reached on foot. In winter, the cross-country ski trail leads right past the house.

Martin Zöggeler

We, the hosts, are Martin and Verena. Martin is a passionate farmer and carpenter. He constructed the new building, which is located right next to the organic farm, from 2020 to 2022. Verena works as a physiotherapist and in her spare time, she loves to explore the nature and mountains around us by hiking and biking. Together, we have tried to create a space for our guests to feel comfortable, relax, and unwind. Natural materials and a lot of attention to detail make our apartment something special. We look forward to wonderful conversations with our guests and are always striving to make the stay in our Apartment Bergliebe as pleasant as possible.
