## farm, farmhouse in Kirchdorf in Tirol

**Relaxation and Comfort** Our farm is located very quietly, very sunnily, and offers a beautiful view of the Kitzbühel Horn. The center of St. Johann can be reached in 5 minutes. The bike path runs past our place, and in winter, the cross-country ski trail. The farm is operated organically and is a grassland operation with dairy cattle.

right on the bike path · quiet location · right at the cross-country ski trail · meadowlands · near the forest
